

United States Mission to the OSCE
U.S. Statement for the
Forum for Security Co-operation:
General Statement

As delivered by Chargé d’Affaires Katherine Brucker
September 17, 2025

Thank you, Mister Chair.

We share the concerns that have been expressed with regard to the recent violation of Poland’s and Romania’s airspace. We stand by our NATO Allies in the face of these airspace violations and will defend every inch of NATO territory.

The FSC is unique among OSCE bodies where risk reduction and conflict prevention must be discussed. We urge Russia to provide a full explanation of events. I would second our UK colleague who noted the FSC is just the forum where Russia can allay our justified concerns.

Thank you, Mister Chair.
